Show Your Commitment When You Sponsor a Kennel!

Kennel sponsorships provide a great opportunity for individuals, families, communities, group organizations and companies to publicly show their commitment to helping homeless animals in our community. Sponsorships directly benefit animals by allowing us to provide shelter, basic exams, vaccines, and other kennel needs for the animals in our care.

Learn more about Kennel Sponsorships at our website: tricityhumane.org, Get Involved—Donate—Sponsor a Kennel or at the shelter.
